WARRANTY ACTIVATION REQUIREMENTS

To activate this warranty you must contact CHARTER WARRANTY Customer Service to provide: Warranty payment and the completed Warranty Registration Card indicating the kit number that you have purchased and proper installation documentation within THIRTY (30) days of the service order installation date as identified on the installation receipt. If a tire and wheel combination is not as delivered on the vehicle's factory VIN build sticker on the vehicle, then it is your responsibility to request the correct tire and wheel programming from Whipple. No tire and wheel combinations will be allowed that are larger than any factory option for the vehicle according to vehicle make and model year.

TERMS AND CONDITIONS

1. **THIS WARRANTY COVERS THE FOLLOWING ITEMS AND COMPONENTS (hereinafter Covered Components.)**
 - A. **ENGINE** – The following internally lubricated parts of the engine, specifically the pistons, piston rings, piston pins, crankshaft and main bearings, connecting rods and rod bearings, camshaft and camshaft bearings, timing chain, timing chain gears, intake and exhaust valves, valve springs, oil pump, push rods, rocker arms, valve/lash adjusters, hydraulic lifters and rocker arms. Parts not listed are non-covered items. The engine block and cylinder heads are also covered if the above-listed parts caused a covered mechanical failure. Seals and gaskets are replaced only as part of repair or replacement of Covered Components.
 - B. **TRANSMISSION** – The internally lubricated parts of the automatic transmission and the torque converter, electrical components internal or external to the transmission are ineligible for coverage under this warranty. Other components, levers, lines, mounts not named in this Warranty are non-covered items.
2. **THIS WARRANTY DOES NOT COVER THE FOLLOWING ITEMS OR COMPONENTS** – This Warranty does not include any part that is not a part of the long block assembly. Parts that are not listed above are non-covered items. Parts that require normal manufacturer's recommended replacement intervals are not covered under this Warranty. Damage resulting from failures by related parts or units such as but not limited to levers, controls, linkage, cables, radiator, coolers, rubber mounts, external oil lines, electronic components internal or external to the engine or transmission are not covered. Any transmission components or four-wheel drive (4WD) or all-wheel drive (AWD) vehicle transfer cases are non-covered items. This Warranty does not cover external engine or transmission parts, ignition parts, fuel system parts, or engine or transmission management parts, harnesses or sensors.
3. **ELIGIBILITY AND TERM** – Once your Warranty is enrolled, Whipple Superchargers and Charter Warranty Services, Inc., (Administrator, collectively We or Our) will warrant to the Registered Owner (You or Your) of the Vehicle (Vehicle) identified in this registration in which the Whipple Supercharger Kit (Kit) identified above is installed, so long as the Vehicle is not in use as a

Commercial Vehicle or prepared or used for track events, racing or other competitive activities, that the Covered Components will be free from defects in materials and workmanship for the stated Warranty term. A certified and qualified automotive technician must install the Kit. Odometers must be fully functional at all times during the Warranty period. Registration date for Warranty activation must be within Thirty (30) Days of Supercharger Kit installation date by the vehicle owner. Once paid for and enrolled, the Warranty term begins on the Supercharger Kit Purchase Date identified on this document, and expires at the EARLIER of 11:59 PM on the date three years have passed or 36,000 miles from the original in-service date of the vehicle. For in-service date clarification, contact the Administrator. The Warranty must be paid in full and registered to be in effect. Benefits are payable once the required information and the Repair Order are received by Administrator and approved.

4. **COVERAGE LIMITS AND CONDITIONS** – There is a \$7,500 aggregate policy limit, of which \$2,500 is for transmission repairs or replacement. In the event of a failure of Covered Component(s), We will repair or replace the defective Covered Component(s), including the replacement of all applicable lost fluids. Our obligation under this Warranty shall be to replace covered components with new or Whipple certified or re-manufactured parts as shall be necessary to remedy covered defects in material and/or workmanship. Whipple reserves the right to improve the design of any Kits without assuming any obligation to supply or replace any part previously manufactured or installed on a Vehicle.

No claims will be paid without prior authorization from the Administrator.

5. **EXCLUSIONS** – This Warranty only applies to defects in material and workmanship. In addition to other terms and conditions that are set forth in this document, the following EXCLUSIONS are made to this Warranty. Existence of an EXCLUSION means that the Warranty is VOID and cannot be enforced by the Owner.

A. Damages to the Covered Components caused by neglect, abuse, lack of maintenance, collision, abnormal operation or improper installation of the Supercharger Kit;

B. Damages to the Covered Components caused by operation of the engine without suitable fuels, oils, or lubricants, or fuels/lubricants that are contaminated;

C. Damages caused by blown head gaskets, fluid leaks, cracked heads or block, overheating or other engine failures caused by the lack of fluids, secretion or improper maintenance;

D. Damages caused by excess oil consumption and/or worn out parts;

E. Damages to the Covered Components caused by towing, improper load capacity, any use for commercial purpose or continued operation of an impaired vehicle, negligence, alterations, racing, fires, floods, riots, vandalism, theft, or acts of God;

F. Excluded uses or conditions that could cause the Warranty to become void;

G. Installation or use of headers, pulleys, camshaft, bolt-on performance enhancement parts, or nitrous oxide systems on the Vehicle, unless sold by Whipple directly for use in connection with the original Kit;

H. Participation in or the preparation of the Vehicle for racing or other competitive activities;

I. The removal or modification of Kit components without the expressed written permission of the Administrator;

J. Covered Components driven to destruction;

K. Covered Components that have been tampered or altered from factory or Whipple specifications, including but not limited to the altering or replacement of the Supercharger drive or lower pulley as evidenced by the tamper proof seal or any alteration of the Supercharger unit or supplied Whipple calibration. It is Your sole responsibility to use all necessary precautions to protect the Vehicle from further damage if the Vehicle's operation is impaired. Continued operation of an impaired Vehicle after any type of mechanical failure constitutes failure to protect the Vehicle from any further damage, is negligence by the Owner or driver of the Vehicle, and voids the Warranty.

To the extent permitted by law, this limited Warranty and remedies are exclusive and in lieu of other available factory warranties, remedies or conditions, written or oral, express, written, implied or oral. As permitted by law, Administrator specifically disclaims all express, implied or statutory Warranties without any limitations of merchantability, fitness for a particular purpose and Warranties against hidden or latent defects. All warranties shall be limited in time to the Warranty period of this Warranty Registration Form and the coverage described herein. This Warranty only applies to the listed items in this Warranty Registration Form and covers no other components on the Vehicle not listed in this Registration form or damages caused by those components or other.

6. **EXCEPTIONS** –

A. We are responsible for Covered Components on the Vehicle only to the initial Registered Owner or the Vehicle as identified in this Registration Form. This Warranty is non-transferrable and terminates upon sale, conveyance of title or transfer of Vehicle;

B. If this Vehicle did not qualify for the Warranty at the time the Warranty was purchased, but the Warranty was nevertheless sold with no fault of Your own for use with this Vehicle, then the Administrator has the right to cancel the Warranty and the maximum liability that We have to You is to refund to You the actual cost of this Warranty without interest or any other increase of additional payments, if we have no incurred additional costs;

C. If there has been any fraud, misrepresentation, material omission or other incorrect or misleading disclosure, or failure to disclose a material fact, then the Administrator has the right to void this Warranty and exclude certain coverage in its sole

discretion because of such fact, or cancel the Warranty. A digital snapshot of the vehicle's control modules may be requested in the event of a claim, to collect data for claims eligibility. If this Warranty is voided or coverage excluded by reason of Your action or inaction, or any occurrence or lack of action, that occurred after the Warranty purchased, then You are not entitled to any refund of the cost of the Warranty, or any other consideration or payment.

D. This is not a performance Warranty. All Vehicles have their own quirks and differences, and all drivers are different. Diminished performance is not a covered component or the basis for a claim under this Warranty;

E. This Warranty does not cover damages from Your loss of use of the Vehicle, loss of earnings, personal damages, per diem expenses or any other consequential or incidental damages. Storage, medical, telephone, housing of any kind are not covered. This Warranty is secondary to the primary Manufacturer's Warranty of your Vehicle;

F. All expressed and implied Warranties of merchantability and fitness are excluded from this Warranty. The maximum term of any and all implied Warranties that may exist extend only for life of the expressed Warranty provided herein. Shop supplies, etc., are non-covered items.

7. **MAINTENANCE REQUIREMENTS** – You must properly maintain the Vehicle. It is Your responsibility to have the engine oil and filter changed at an accredited oil facility pursuant to Whipple's requirements, under the manufacturer's scheduled oil change requirements. You must retain properly documented and verifiable receipts, and make those available at the time of Warranty claim. Handwritten receipts and unverifiable receipts will not be accepted. Presentation of other maintenance and service receipts and invoices may be required in the event of a claim. A digital snapshot of the vehicle's control modules may be requested in the event of a claim, to collect data for claims eligibility.

8. **RENTAL REIMBURSEMENT** – We will provide reimbursement for a rental vehicle from a licensed rental car agency in the event of a covered incident. We will pay up to Forty-five (\$45.00) Dollars for the repair according to the repair time or portion thereof of approved labor time to complete the covered repair with a Three (3) Day maximum Rental benefit, not to exceed One Hundred Thirty-five (\$135.00) Dollars. You must submit paid receipts to the Administrator for reimbursement. This coverage does not apply to service or parts delays or other time delays beyond our control or that of the repair facility.

9. **FUEL REQUIREMENTS** – Use of fuel with a minimum octane rating of less than 91 (R+M)/2 is unsuitable for this Supercharger Kit. Premium fuel at 91 or 93 as specified is required for normal operation. **E-85 fuel is unacceptable for fuel requirements and will void this Warranty.**

10. **NO MODIFICATIONS** – The only exhaust modification allowed under this Warranty Registration Form is a cat-back exhaust system. Long or short tube headers void the Warranty. Wheel and tire combinations must be no larger than factory optional tire and wheel sizes from the factory and factory tire compounds, slicks of any kind are not approved optional tire alterations. Non-OEM wheel and tire sizes will void this Warranty.

11. **CLAIM PROCEDURE** - In the event of a failure of a Covered Component, You must do the following:

A. Notify the Administrator immediately at 800-684-1175 for a claim number;

B. Have all required documentation prepared to submit to the Administrator, specifically, a copy of this Warranty Registration Form, proof of maintenance of the Vehicle as outlined in Item 7 (Maintenance Requirements) and documentation of the failure of a Covered Component;

C. You must use and agree to authorize an ASE Certified Repair Facility to tear down the Vehicle so that inspection and diagnosis of the Covered Component can be made. This must be done prior to authorization of repair or replacement of the Covered Component by the Administrator. You will be solely liable and agree to pay the costs of the teardown if the damages are not covered by this Warranty, or the difference between the covered amount and the costs and fees of the tear down plus other costs exceeding the maximum liability under this Warranty;

D. Reasonable access must be provided to the Vehicle for the Administrator and/or Whipple personnel for Warranty inspection purposes;

E. If we need any of the Covered Components examined, the You must pay for all related transportation charges and/or travel time. Any parts shipped by You for inspection or repair must be shipped with freight pre-paid;

F. All repairs and work shall be done and covered up to the maximum of our liability and at our approved labor rate. Failure to receive Administrator's authorization prior to any repair work will invalidate this Warranty;

G. You may not rely on representations, whether oral, written or otherwise, of anyone with respect to the nature and extent of the coverage under this Warranty and must rely only on the terms and conditions herein. No employee or representative of Whipple has the right or power to change or waive any of the terms and conditions of this Warranty;

H. This Warranty is only valid in the United States and Canada;

I. Agreement to jurisdiction venue in Michigan and waiver of right to participate in a class action lawsuit. This Warranty originates in Michigan. By submitted this Warranty for Enrollment, you agree this Warranty and any litigation arising out of or relating to this Warranty is governed by, interpreted under, and enforced in accordance with the laws of the State of Michigan without regard to conflicts of law principles. Any action brought to enforce or interpret this Warranty shall be brought and maintained exclusively in a court of the State of Michigan in Oakland County or in the United States District Court for the Eastern

District of Michigan. You hereby consent to personal jurisdiction of a court of the State of Michigan located in Oakland County and the United States District Court for the Eastern District of Michigan for any dispute arising out of or relating to this Warranty and agree that you will not deny or defeat such jurisdiction by motion or other request for leave from court and expressly waive the right to bring any class action. All claims and disputes shall be tried as individual claims and not as a class action by any single court. You waive the right to participate in any class action relating to this Warranty and rights created hereunder or relating thereto. How State Law applies: This Warranty gives you specific legal rights. You may have other rights that vary from state to state.

This warranty is valid in the United States and Canada
Failure to receive Administrator's authorization prior to any repair work will invalidate any Warranty claim.

TERMS AND ACTIVATION

I have read the entire limited Warranty document and fully understand the provisions and limitations of this Warranty Contract. I understand this Warranty is secondary to all original manufacturers' Warranties and that all initial Warranty claims must be processed through the original factory Warranty. If the Factory warranty claim is readjusted as a result of the installed Whipple Supercharger Kit, a Warranty claim can be initiated through Whipple.

To activate this Warranty, you must provide this signed and completed Customer Warranty Registration Form to Charter Warranty Services at Lock Box 2425, Farmington Hills, MI 48333 within thirty (30) days of the service order installation date. If the required documentation is not received within thirty (30) days of installation date, this contract is not valid. Make a photocopy of this document for your records before sending it to Charter Warranty Services.
